Thank you for purchasing the **HP Tuners T93/T87A TCM!**

Before installing your new TCM, please read the following steps:

Step 1: Download and install the latest VCM Suite BETA available at:
https://www.hptuners.com/downloads/

Step 2: Perform the "Replace TCM" special function in VCM Scanner

1) Connect VCM Scanner to the vehicle with the **stock TCM installed.**

   a. Go to "Vehicle Controls & Special Functions".

   b. Click "Replace TCM" to start the function (located under System > General).

   c. Follow the prompts to complete the Replace TCM process for the stock TCM.

2) When prompted, replace the stock TCM with the HP Tuners unlocked one.

3) Connect VCM Scanner to the vehicle with the **unlocked TCM installed.**

   a. Go to "Vehicle Controls & Special Functions".

   b. Click "Replace TCM" to start the function (located under System > General).

   c. Follow the prompts to complete the Replace TCM process for the unlocked TCM.
